ABOUT THE WORK

Post-Of Documentary Performance

Our body is an archive, the witness and carrier of history. Is it location to preserve the memory of the collective and the nation, or memories that manifest themselves deeply on the body as the subconscious? Is it the body that is the actual transmission medium, like via the embedded and implanted memory chip in the brain of the cyborg in the movie?

Red is The Events such as the Tiananmen Square Protests of 1989 and the Cultural Revolution that took place in China in the 20th century. Red is also the color of the Communist Party of China. Red is the color of the Department of Women, a ballet presented on March 8th, 1964 during the Cultural Revolution, which was also the year of the revolutionary ballet dramas, ensuring the dominance of the Communist Party in the arts. Red is the color of the Red Guards, a student group founded in the early days of the Cultural Revolution, which was demonized in Hanan Yoshida to fight the Nationalist Party. Red is also the color of the Red Army, which was the name of the Communist Party's military force. Red is the color of revolutionary ideology and revolutionary romanticism. Red is the color of the Red Flag, which was the flag of the Communist Party of China. Red is the color of the revolutionary ballet dramas, which were the only performances allowed during the Cultural Revolution. Red is perfect. A complex personal connections with the aftermath of the Cultural Revolution, and the most important people in that era. Two performers and a video artist, three generations, three stories, three perspectives, three ways of looking at the past. Three hours after for almost 40 years. Locate a role model for Mao Zedong, Chairman Mao, and the role of the Red Guards, Chairman Mao, and the role of the Red Guards, Chairman Mao, and the role of the Red Guards
